Application

Background information about yourself (maximum 250 words):

Briefly outline your training, current research and motivation for the exchange.

Proposal for the Research Exchange Challenge (maximum 700 words):

Describe the research objectives of the visit, the methods or techniques you intend to learn, the fit with the host lab, the planned activities and their feasibility within the timeframe, and the expected impact.

Checklist before submission

Before submitting your application, please make sure that you have included the following:

- ☐ A signed letter of acceptance or approval from the host institution.
- ☐ A signed form from your home institution approving your exchange at the host institution, including statement that the candidate has no alternative funding for this exchange.
- ☐ Proof of registration for ECBS 2026.
- ☐ A structured CV (maximum 2 pages), including training to date and publications.
- ☐ Confirmation that you will submit a short report on your exchange to the ECR Workgroup within three months of your return.

Data protection notice (GDPR)

The personal data provided in this form and its attachments - including identification and career-stage documents - will be processed by the ESBS Early Career Researchers Workgroup solely for the purposes of evaluating applications to the Research Exchange Challenge, administering the award, and complying with the obligations described in the Call.

Data will be accessible only to the members of the evaluation committee and, where relevant, to the ESBS administration involved in confirming membership status and disbursing the award. Data will be kept only for as long as necessary for these purposes and will not be shared with third parties beyond those indicated above.

In line with Regulation (EU) 2016/679 (GDPR), applicants have the right to access, rectify, or request erasure of their personal data, or to object to its processing, by contacting **europeansbs@brain-stimulation.eu**

- ☐ I have read the data protection notice above and consent to the processing of my personal data for the purposes described.

Submission

Please complete this form and combine it with all required attachments into one single PDF file.

Applications can be submitted to esbs_ecrgrants@brain-stimulation.eu
